

Gardeners and Cooks: Submit your recipes, stories & tips

Wasatch Community Gardens is creating a cookbook to delight and inspire gardeners, cooks, and the community. Whether a delicious recipe for a great meal, or the recipe for a perfect garden, we want your submissions! The stories, tips, tricks, recipes and favorites from our community of gardeners and cooks will be sold at our Annual Plant Sale on May 12, 2007. The books will support our gardening programs.
